## IMPORTANT NOTICE TO CLUBS AND PLAYERS

The League Council takes this opportunity to emphasise to ALL clubs and individual Players the absolute necessity to both attain and retain the very highest standards of sportsmanship and behaviour at ALL times. This League is proud of its good name in sporting circles and the community, and WILL NOT TOLERATE any action which brings discredit upon it.

Any club or individual Player found guilty of any such offence will be dealt with in the most severe manner. Players must be fully aware that a Referee's decision is always final and that no Player – not even the team captain – is allowed to dispute any decision given by the Referee. It must also be made clear that any Player cautioned or sent off on the field by a Referee will automatically be reported to the London Football Association, which will lead to the Player being suspended and fined.

## MACCABI GB SFL MISSION STATEMENT

The Maccabi GB Southern Football League is an affiliate of Maccabi GB and as such adheres to the ethos of supporting the long term future of British Jewry by engaging and developing the entire Jewish Community within a broad range of sporting, educational, social and health wellbeing activities, whilst promoting Jewish identity and the centrality of Israel.

We expect all our participating football clubs, including its officials, Players and supporters to understand our aims and objectives and to share in the spirit and commitment of our organisation to ensure that the Jewish community and the Maccabi GB Southern Football League go from strength to strength in the years ahead.

# THE CHAIRMAN'S MESSAGE

Marc Morris/The Jewish Chronicle

**Unfortunately season 2015-16 will comprise of 34 teams placed into three divisions. We have had to drop a division for logistical reasons but hope that this can be reversed in the future.** Although the reduction (from 38 to 34 teams) appears to be in line with the national trend, several members are expressing concern and a working party is being set up to explore the reasons and to see if we can attract new teams and players in the future.

I am very pleased to welcome two new teams (with one familiar old name) and hope they all have a successful and enjoyable season.

I would like to make mention of our sponsors Maccabi GB for their continuing support both financially and from their personnel. We are also an affiliate and as such it makes for a very strong bond with them.

The close season always involves a massive amount of preparatory work to set up the League and all your officers have been hard at work to ensure the smooth running.

We are fortunate to have 100% coverage of our matches by referees and to this avail I would like to give thanks to our retiring Referees' Secretary Martin Fox, who now becomes an additional Vice-President, for his untiring efforts on your behalf. I would also like to welcome Andy Myerson in to this role. We look to maintaining our reputation for reasonably good discipline and hope that this is not only maintained but also improved upon.

Sadly, during the year we lost our senior Vice-President, Stan Schaverien and an obituary appears elsewhere in this handbook.

You will see that our Mission Statement is set out (on the previous page) and underpins the *raison d'être* for our existence. I hope that you will read and comprehend its meaning. Let us always underpin our allegiance with our brethren in Israel and pray for an everlasting peace in these troubled times.

I will try to visit you all during the season and look forward to meeting with you.

Finally, let me wish you all an enjoyable season and a happy and peaceful New Year.

**David Wolff**

# OBITUARY

## STANLEY SCHAVERIEN – VICE-PRESIDENT

Stanley Schaverien was a great stalwart of the Maccabi (Southern) Football League. His first association was as a player at Brighton & Hove Maccabi and when he moved to London he continued his playing career at Maccabi Association London (MAL).

At the end of his playing career, he was encouraged by the late Harry (Les) Waters to take up the whistle and was a most competent and respected referee. He eventually became the League's Referees' Secretary in season 1972-73. He stayed in that position until 1981-82 when he was made a Vice-President. He continued in that role until his death.

Stan also served on the Maccabi National Football Committee (who run the Peter Morrison Trophy) and also was a Council Member of Division 6 (the old Sunday section) of the London FA.

He was a season ticket holder at Upton Park and as another avid West Ham supporter we made many a trip to see the Hammers play in the FA Cup.

Stan leaves a widow, daughter and son together with grandchildren, and will be sadly missed.

# CONSTITUTION AND RULES

## STANDARD CODE OF RULES

This document contains the Standard Code of Rules developed by The Football Association for open age football. These Rules are mandatory for all Competitions at Step 7 of the National League System and below, and The FA Women's Pyramid excluding The FA Women's Super League.

Competitions seeking sanction must draft their Rules in conformity with this Code, putting them in the correctly numbered Rule and showing the standard headings. The mandatory element is printed in normal text and the optional elements in italics. Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the sanctioning association and do not conflict with the mandatory Rules or any relevant principles and policies established by the FA. Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional Rules.

It should be noted that in many cases Rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted. In all cases where [ ] is shown the necessary name, address, number or wording to complete this Rule must be inserted.

Any alteration of the Chairman and/or Secretary on the above Agreement must be notified to the London County Football Association(s) to which the Club is affiliated and to the Secretary of the Competition.

## **8. QUALIFICATION OF PLAYERS**

**8(A)** (i) Contract players are not permitted in this Competition with the exception of those players who are registered under Contract with the same Club who have a team operating at Steps 1 to 6 of the National League System.

It is the responsibility of each Club to ensure that any player signing a registration form for that Club has, where necessary, the required International Transfer Certificate. Clearance is required for any player aged 10 and over crossing borders including Scotland, Wales and Northern Ireland.

(ii) While serving in any branch of Her Majesty's Regular Forces, a player must first obtain the consent of his Association Secretary before signing a registration form to play for the Club.

(iii) Each Club must have at least 16 players registered seven days before the start of each playing season.

**8(B)** A player is one who, being in all other respects eligible, has signed a fully and correctly completed Competition registration form in ink, countersigned by an Officer of the Club and either (a) submitted to the Competition three days prior to playing and whose registration has been confirmed by the Competition prior to that player playing in a Competition Match, or (b) signed a fully and correctly completed Competition registration form in ink on a match day prior to playing, countersigned by an Officer of the Club and witnessed by an Officer of the opposing Club, and submitted to the Competition within two days of the match. The player shall not again play until the Club is in possession of the approval of the Competition. A maximum of no players may be registered in accordance with sub paragraph (B).

A *bona fide* member of a team is one of the Jewish faith who has completed an official registration form. The team is responsible for ascertaining the eligibility of a player to register at the time that the signing takes place. The Management Committee reserves the right to refuse or cancel the registration of any player who cannot prove he is of the Jewish faith to their satisfaction.

Any player whose registration is disputed must appear before the Management Committee and answer any questions that are raised and provide proof to the satisfaction of the Management Committee that the player is a member of the Jewish faith. Any player failing or refusing to attend such meeting will have his registration refused or cancelled until he does so.

**8(C)** Where a Club fields more than one team in differing divisions, the team or teams from the lower division(s) may consist of no more than one player who played any part in the previous match of a team in a higher division. Any player who did not play any part in the previous match of a team in a higher division shall be deemed to be a floating player and shall be eligible for any team on his return.

**8(D)** A player having taken part in matches for any Club affiliated to any County Football Association shall not be allowed to join, be transferred to, or sign for a Club in the Competition without first proving to the officials of the intended Club that the player has discharged all reasonable financial liabilities to the previous Club or Clubs, and a Club official may not accept such player's signature without first ascertaining whether such claims have been discharged to the satisfaction of the Club, or Clubs, for which the player last played. In the event that a player could be required to pay a proportion of a debt due under The FA Football Debt Recovery System then, whether or not the debt has been referred to the relevant County FA, the Competition must not affect the player's registration in any way or refuse to register a transfer due to that debt being outstanding. The Competition cannot refuse to register a player for an unpaid non-footballing debt.

**8(E)** A fee as set out in the Fees Tariff shall be paid by each Club/team for each player registered.

**8(F)** The Management Committee shall decide all registration disputes.

In the event of a player signing a registration form or having a registration submitted for more than one Club, priority of registration shall decide for which Club the player shall be registered. The Secretary shall notify the Club last applying to register the player of the fact of the previous registration.

**8(G)** It shall be a breach of Rule for a player to:

- (i) Play for more than one Club in the Competition in the same season without first being transferred.
- (ii) Having signed for one Club in the Competition, sign for another Club in the Competition in that season except for the purpose of a transfer.
- (iii) Submit a signed registration form for registration that the player had wilfully neglected to accurately or fully complete.

**8(H)** (i) The Management Committee shall have the power to accept the registration of any player subject to the provisions of clauses (ii) and (iii) below.

(ii) The Management Committee shall have power to refuse, cancel or suspend the registration of any player or may fine any player, at their discretion who has been charged and found guilty of registration irregularities (subject to Rule 16).

(iii) The Management Committee shall have power to make application to refuse or cancel the registration of any player charged and found guilty of undesirable conduct (subject to Rule 16) subject to the right of appeal to the FA or the relevant County Football Association. Undesirable conduct shall mean an incident of repeated proven misconduct, which may deter a participant from being involved in this Competition. Application should be made to the parent County of the Club the player is registered or intending to be registered with.

(iv) For a player who has previously had a registration removed in accordance with Clause (iii) but has a registration accepted at the expiry of exclusion will be considered to be under a probationary period of 12 months. Whilst under a probationary period, should the player commit a further act of proven misconduct under the jurisdiction of the Competition (excluding standard dismissals), the Competition would be empowered to consider a further charge of bringing the Competition into disrepute.

(Note: Action under Clause (iii) shall not be taken against a player for misconduct until the matter has been dealt with by the appropriate Association, and then only in cases of the Player bringing the

Competition into disrepute and will in any case be subject to an Appeal to the Football Association. All decisions must include the period of restriction. For the purpose of this Rule, bringing the Competition into disrepute can only be considered where the player has received in excess of 112 days' suspension, or 10 matches in match based discipline, in a period of two years or less from the date of the first offence for any team playing in this Competition).

**8(I)** Subject to compliance with FA Rule C2(a) when a Club wishes to register a Player who is already registered with another Club it shall submit a transfer form to the Competition accompanied by a fee as set out in the Fees Tariff. Such transfer shall be referred by the Competition to the Club for which the Player is registered. Should this Club object to the transfer it should state its objections in writing to the Competition and to the player concerned within three days of receipt of the notification. Upon receipt of the Club's consent, or upon its failure to give written objection within three days, the Competition Secretary may, on behalf of the Management Committee, transfer the player who shall be deemed eligible to play for the new Club from such date or three days after receipt of such transfer.

In the event of an objection to a transfer the matter shall be referred to the Management Committee for a decision.

**8(J)** A player may not be registered for a Club nor transferred to another Club in the Competition after 16th March except by special permission of the Management Committee.

**8(K)** A Club shall keep a list of the players it registers and a record of the games in which they have played, and shall produce such records upon demand by the Management Committee.

**8(L)** A register containing the names of all players registered for each Club, with the date of registration, shall be kept by the Registrations Secretary and shall be open to the inspection of any duly appointed member Club representative at all Management Committee meetings or at other times mutually arranged. Registrations are valid for one season only.

In the event of a player without a written contract changing his status to that of a contract player with the same Club, another Club in the Competition or with a Club in another Competition his registration as a player without a written contract will automatically be cancelled and declared void unless the Club conforms to the exception detailed in Rule 8(A)(i).

**8(M)** A player shall not be eligible to play for a team in any special championship, promotion or relegation deciding match (as specified in Rule 12(A)) unless the player has played 12 games for that team in this Competition in the current season.

**8(N)** A player who has played for a team in the higher division 12 times or more shall not in that season be eligible to play in a lower division except by permission of the Management Committee.

**8(O)** Any Club found to have played an ineligible player in a match or matches shall have any points gained from that match or matches deducted from its record, up to a maximum of 12 points, and have levied upon it a fine of up to £40.00. The Management Committee may also order that such match or matches be replayed on such terms as are decided by the Management Committee which may also levy penalty points against the Club in default.

The Management Committee may vary this decision in respect of the points gained only in circumstances where the ineligibility is due to the failure to obtain an International Transfer Certificate or where the ineligibility is related to the player's status.

In exceptional circumstances the Management Committee may, at its discretion, award the points available in the match in question to the opponents, subject to the match not being ordered to be replayed.

**8(P)** The following Clause applies to Competitions involving players in full-time secondary education:

- (i) Priority must be given at all times to school and school organisations activities.
- (ii) The availability of children must be cleared with the Head Teachers (except for Sunday Leagues).
- (iii) To play open age football the player must have achieved the age of 16.

**8(Q)** Any player who owes fees of any description to any member Club, will not be allowed to join any other Club in the M(S)FL and will have his registration cancelled until all debts owed by the offending player are settled in full or to the satisfaction of all parties concerned. Any player who refuses to settle any outstanding account will have his registration cancelled *sine die* until all financial matters are concluded and will be reported to the relevant FA.

## **9. CLUB COLOURS, CLUB NAME**

**9(A)** Every Club must register the colour of its shirts and shorts with the Secretary by 30th June who shall decide as to their suitability.

Goalkeepers must wear colours which distinguish them from all other players and the Match Officials.

No player, including the goalkeeper, shall be permitted to wear black or very dark shirts.

Any team not being able to play in its normal colours as registered with the Competition shall notify its opponents the colours in which they will play (including the colour of the goalkeepers jersey) at least five days before the match.

If, in the opinion of the Referee, two Clubs have the same or similar colours, the Away team shall make the change. A Club must not delay the scheduled time of kick-off for a Completion match by not having a change of colours. Shirts must be numbered. Any infringement of the above shall make the team liable to a £5.00 fine.

**9(B)** Any Club wishing to change its name must obtain permission from the Sanctioning Authority and from the Management Committee. Any Club wishing to change its colours during the playing season must obtain permission from the Management Committee.

Any infringement of the above shall make the team liable to a £5.00 fine.

## **10. PLAYING SEASON, CONDITIONS OF PLAY, TIMES OF KICK-OFF, POSTPONEMENTS, SUBSTITUTES**

**10(A)** The Annual General Meeting shall determine the date for the commencement of the season.

**10(B)** All matches shall be played in accordance with the Laws of the Game as determined by the International Football Association Board.

Clubs must take all reasonable precautions to keep their grounds in a playable condition. All matches shall be played on pitches deemed suitable by the Management Committee. If through any fault of the Home team a match has to be replayed, the Management Committee shall have power to order the venue to be changed.

The Management Committee shall have power to decide whether a pitch and/or facilities are suitable for matches in the Competition and to order the Club concerned to play its fixtures on another ground.

The Home team shall be liable for the cost of the venue in all League competitions. In all cup competitions the cost of the pitch shall be shared by both competing teams to the total pitch value of £100.00. If the pitch cost is more than £100.00, then the Home team will pay the balance over and above the shared cost.

Football Turf pitches (3G) are allowed in this Competition providing they meet the required performance standards and are listed on the FA's Register of Football Turf pitches. For Clubs playing at Step 7 and below a pitch must be tested (by a FIFA accredited test institute) every three years and the results passed to the FA. The FA will give a decision on the suitability for use and add the pitch to the Register.

The Home Club is also responsible for advising participants of footwear requirements when confirming match arrangements in accordance with Rule 10(D).

All matches shall have duration of 90 minutes unless a shorter time (not less than 60 minutes) is mutually arranged by the two Clubs in consultation with the Referee prior to the commencement of the match, and in any event shall be of equal halves. Two matches involving the same two teams can be played on the same day providing the total playing time is not more than 120 minutes.

The times of kick-off shall be fixed at the AGM and can only be altered by the mutual consent of the two competing Clubs prior to the scheduled date of the match with written notification given to the Competition at least seven days prior.

Referees must order matches to commence at the appointed time and must report all late starts to the Competition.

The Home team must provide goal nets and at least two footballs fit for play and the Referee shall make a report to the Competition if the footballs are unsuitable. In default of this a £5.00 fine shall be levied.

The recognised times of kick-offs, unless otherwise decided by the Management Committee or previously agreed between the two teams and match official shall be as follows:

Morning games: League (including double headers) or Cup – 10.00am. If a game starts between one and 15 minutes after the above times, the defaulting team(s) shall be fined £5.00. If a game starts between 16 and 30 minutes after the above time, the defaulting team(s) shall be fined £10.00.

**10(C)** Except by permission of the Management Committee all matches must be played on the dates originally fixed but priority shall be given to The Football Association and parent County Association Cup Competitions. All other matches must be considered secondary. Clubs may mutually agree to bring forward a match with the consent of the Fixtures Secretary.

In the case of a revised fixture date, the Clubs must be given by the Competition five clear days' notice of the match (unless otherwise mutually agreed).

**10(D)** The Secretary of the Home Club must give notice of full particulars of the location of, and access to, the ground and time of kick-off to the Match Officials and the Secretary of the opposing Club at least four clear days prior to the playing of the match. If not so provided, the Away Club shall seek such details and report the circumstances to the Competition. Any team failing to comply with this rule shall be fined £10.00.

**10(E)** A minimum of eight players will constitute a team for a Competition match.

**10(F)** (i) Home and Away matches shall be played. In the event of a Club failing to keep its engagement the Management Committee shall have power to inflict a fine, deduct points from the defaulting Club, award the points from the match in question to the opponents, order the defaulting Club to pay any expenses incurred by the opponents or otherwise deal with them except the award of goals. Notwithstanding the foregoing Home and Away provision, the Management Committee shall have power to order a match to be played on a neutral ground or on the opponent's ground if they are satisfied that such action is warranted by the circumstances. A team may be fined up to £60.00 or in the case of its last four League fixtures up to £100.00.

(ii) Any Club with more than one team in the Competition shall always fulfil its fixture, within the Competition, in the following order of precedence: 'A' Team, 'B' Team and 'C' Team.

(iii) Any Club unable to fulfil a fixture or where a fixture has been postponed for any reason must, without delay, give notice to the Fixtures Secretary, the Competition Referees' Secretary, the Secretary of the opposing Club and the Match Officials.

(iv) In the event of a match not being played or abandoned owing to causes over which neither Club has control, it shall be played in its entirety on a date to be mutually agreed by the two Clubs and approved by the Management Committee. Failing such agreement and notification to the Fixtures Secretary within two days the Management Committee shall have power to order the match to be played on a named date or on or before a given date.

(v) The Management Committee shall review all matches abandoned in cases where it is consequent upon the conduct of either or both teams. Where it is to the advantage of the Competition and does no injustice to either Club, the Management Committee shall be empowered to order the score at the time of the abandonment to stand. In all cases where the Management Committee are satisfied that a match was abandoned owing to the conduct of one team or its Club member(s) they shall be empowered to award the points for the match to the opponent. In cases where a match has been abandoned owing to the conduct of both teams or their Club member(s), the Management Committee shall rule all points for the match as void. No fine(s) can be applied by the Management Committee for an abandoned match.

(vi) The Management Committee shall review any match that has taken place where either or both teams were under a suspension imposed upon them by the Association or Affiliated Association. In each case the team that was under suspension would be dealt with in the same manner as if they had participated with ineligible players in accordance with Rule 8(O) above. Where both teams were under suspension the game must be declared null and void.

**10(G)** A Club may at its discretion and in accordance with the Laws of the Game use three substitute players in any match in this Competition who may be selected from five players.

The Referee shall be informed of the names of the substitutes not later than five minutes before the start of the match and a player not so named may not take part in that match.

A player who has been selected, appointed or named as a substitute before the start of the match but does not actually play in the game shall not be considered to have been a player in that game within the meaning of Rule 8 of this Competition.

**10(H)** The half-time interval shall be of five minutes' duration, but it shall not exceed 15 minutes. The half-time interval may only be altered with the consent of the Referee.

**10(I)** The Clubs taking part in fixture Competition match shall identify a team captain who has a responsibility to offer support in the management of the on-field discipline of his/her team mates.

**10(J)** The fixture list shall be drawn up by the Fixtures Secretary and shall be confirmed at a meeting of the Council to be held in August annually. It is the Club's responsibility to check the fixture website regularly for updates. Should a game not take place because the website has not been checked, the offending Club(s) will be charged under Rule 10(F). No fixture shall be played on Jewish Holy Days as directed by the Council or Management Committee.

All matches shall be played on the dates originally fixed. Should a team require a postponement or a 'closed' week, then this request must be made in writing or by e-mail to the Fixtures Secretary at least 30 days before the date of the match in question (except in unforeseen circumstances). A maximum of two such requests per team may be made in any one season (except in unforeseen circumstances) – this request will then either be 'accepted' or 'rejected' by the Fixtures Secretary.

**10(K)** Both teams shall have an adequate first aid kit with them at all matches, and such kit shall be shown to the Referee prior to the commencement of the match, brought to the pitch and be available for immediate use. Team defaulting shall be fined £5.00 on each occasion.

In default of this a £10.00 fine will be imposed. In the event that a team sheet is received which is either incomplete, or not received in the two days, except in matters referred to in Rule 11(D) the Council or Management Committee shall investigate any deficiency and the team found in default, will be fined £10.00. If the same team continues to commit the same offence, the Management Committee has the right to double this fine on each subsequent occasion.

respective Divisions at the conclusion shall be adjudged the winners. Matches must not be played for double points.

In circumstances where two or more teams are equal on points team rankings shall be determined by goal difference where the goals scored against by each team shall be deducted from the goals scored by that team and the largest positive difference shall be placed the highest. In the event of the goal difference being equal the highest placed team shall be the team which has scored the most goals. In the event that two or more teams have the same goal difference and have scored the same number of goals then the highest placed team shall be the team which has won the most matches.

In the event of the two teams still being equal the team which has the better playing record against the other team in their head-to-head Competition matches during the season will be the highest placed team.

**CYRIL ANEKSTEIN CUP FINAL 2015 at Wingate & Finchley FC**

**NORSTAR LONDON RAIDERS 3, HENDON UNITED SPORTS CLUB 1**

Norstar London Raiders won the Cyril Anekstein Cup for the first time by defeating Hendon United Sports Club by 3-1 at the Abrahams Stadium in Summers Lane, Finchley. A stunning first-half display from the Raiders saw them blow Hendon away as they avenged the previous season's 3-0 defeat in the Final. Norstar's success meant that they completed the League and Cup double. Strikes from Liron Mannie, Jordan Marks and Matt Stock helped the newly-crowned league champions storm into a 3-0 lead at the break and although Hendon pulled one back in the second half through Avi Korman, Raiders ran out deserved winners. With a strong wind blowing in their favour, Raiders stormed out of the blocks. It was clear they had come out with a point to prove on their return to the Harry Abrahams Stadium having pushed Hendon so close on two fronts the previous season. Jubilant Raiders manager Rob Richman told *JC Sport*: "We played Hendon six weeks ago to win the league and the hope today was to play to our potential again. We dominated them in the first half although the second half was scrappy. We didn't have any special plans to mark Hendon's danger men. The message was to knuckle down and be compact. The boys deserve their success. They are all top lads on and off the pitch and have worked so hard all season." *Danny Caro, Jewish Chronicle*

## THE PETER MORRISON TROPHY FINAL 2015

HENDON UNITED SPORTS CLUB 2, AFC FLIXTON (Manchester) 0

Venue: Boundary Park, Oldham

A goal in each half from David Seitler helped Hendon United Sports Club retain the Peter Morrison Trophy following a 2-0 victory over AFC Flixton in the Final at Boundary Park. Flixton, who had two players in the Team Maccabi GB Open football squad, had steamrolled the majority of their opponents last season. But the treble winners of the previous season, who had slipped down the pecking order behind Norstar London Raiders, saved the best for last with a performance to be proud of. This excellent victory against the Manchester side gave Hendon United Sports Club their third Peter Morrison Trophy success in four seasons. (Adapted from a report by Danny Caro, Jewish Chronicle)

# MMFL/MGBSFL INVITATION TROPHY

The Maccabi Masters Football League (MMFL) and the Maccabi GB Southern Football League arranged a second joint competition towards the end of the 2014-15 season. Unlike the previous season, this competition was played using the knock-out format with eight teams contesting the quarter-final, four from each league. From the Masters League, Brady Maccabi, Chigwell Athletic, Faithfold and North London Raiders took part. Representing the MGBSFL were Faithfold 'B', L'Equipe, SPEC FC and Temple Fortune.

In the quarter-final, SPEC beat Brady Maccabi 4-0, Chigwell Athletic defeated L'Equipe 4-2, Faithfold Masters eliminated Temple Fortune 2-1 and North London Raiders put out Faithfold 'B' 5-4 on penalties after a 1-1 draw. The semi-finalists consisted of three teams from the Masters and one from the MGBSFL. Chigwell drew 1-1 with SPEC, the MGBSFL's

lone representatives, and then won the penalty shoot-out 5-4, whilst North London Raiders comprehensively beat Faithfold Masters 7-0.

So the Final saw two Masters teams contest the occasion at Silver Jubilee Park on Sunday 14th June. Chigwell proved to be the masters in this season's finale as they denied hot favourites, North London Raiders, a unique treble, by the narrowest of margins.

The blue-shirted underdogs showed no fear in taking on the double winners. Their attacking efforts were rewarded on 25 minutes when a neat move down the right ended with assistant manager **Glenn Davis** (pictured on the left holding the trophy with manager Richard Slater and captain Daniel Castle) smashing in the cross from ten yards out to give Chigwell a deserved lead. After the interval, Raiders made their intentions clear, and Chigwell struggled to replicate the possession they enjoyed in the first period. So it was no surprise when they conjured a move down their right, and the resulting cross was dispatched by **Tony Plaskow** with a flashing header that left Chigwell 'keeper Marc Jacobs with no chance.

Chigwell remained resolute and the 90 minutes ended in a 1-1 stalemate, setting up a penalty shoot-out. In the end, Raiders' treble dream was ended by Chigwell keeper, Marc Jacobs, who made the vital saves that gave them a 4-2 win, and those saves proved to be the difference in what was a competitive, enthralling encounter, played in a great spirit, exemplifying the strength and philosophy of Maccabi Football.

Said David Wolff, who co-chaired the competition with Stuart Lustigman: "This was a great advertisement for Jewish football: a terrific game for the neutral, rounding off what has been another excellent tournament. Lots of people have worked hard behind the scenes to ensure that we have the privilege to play in and watch games like these, and it's great for the community."

# LOOK AFTER YOUR REFEREE!

## 5 WAYS TO KEEP OUR GAMES COVERED

### 1. MEET AND GREET!

Look out for your appointed Referee at the venue, greet him and show him where to change. Give him the match ball to take out onto the pitch.

### 2. PAY!

If you're the Away team, find the Referee and pay him his match fee before the kick-off. Don't keep him waiting, don't make him ask!

### 3. SHOW!

Avoid a fine by showing the Referee an inflated match ball and a well-stocked first aid kit.

### 4. NOMINATE!

You must nominate your substitutes prior to kick-off so make sure you tell the Referee who they are. If your subs aren't correctly nominated they will not be permitted to play later on during the match.

### 5. RESPECT!

Always respect the Referee. Accept his decisions and - win or lose - sportingly end the match with a courteous handshake.

PLAY YOUR PART. **KEEP OUR REFS.**

David Wolff wishes all teams and referees an enjoyable and successful season... and not forgetting 'Up the Hammers'!

**BROCHURES | LEAFLETS | MAILERS | POSTERS | AND, OF COURSE, HANDBOOKS!**

If you need any of the above or anything else that can be typeset, Nigel Kyte could be your man!

An experienced freelance designer and artworker, he has produced the MGBSFL handbook for the past five seasons.

For any typesetting needs, feel free to email Nigel on [info@tffc.co.uk](mailto:info@tffc.co.uk)
